Event Details & Description:

The Centre for Behavioural Sciences, IIHMR University, in collaboration with UNICEF, Swachh Bharat Mission (Grameen), Government of Rajasthan, and HCL Foundation, successfully conducted a two-day residential workshop on Human-Centred Design (HCD) and Behavioural Insights on 17–18 December 2025.

Designed for District Programme Coordinators (DPCs) of SBM-G in Rajasthan, the workshop focused on equipping participants with practical, field-oriented approaches to promote ODF Plus behaviours and strengthen Visual Cleanliness across districts. This workshop exemplified a strategic investment in building the soft infrastructure of SBM-G implementation: the capacities, mindsets, and collaborative mechanisms that enable technical infrastructure to be used effectively and sustainably. By equipping DPCs with practical HCD and behavioral science tools, the workshop aims to strengthen district-level capacity for empathetic stakeholder engagement and support.

The workshop was attended by :

- Ms Saloni Khemka, Director, SBM (Grameen)
- Mr ML Sharma, Joint Director, SBM (Grameen)
- Mr Rushabh Hemani, WASH Specialist, UNICEF
- Ms Alka Malhotra, Specialist – Social & Behaviour Change, UNICEF India Country Office
- Ms Manjaree Pant, SBCC Specialist, UNICEF Rajasthan Field Office
- Ms Anushka Ashok, Behavioural Insights Expert

The workshop reaffirmed the critical role of Human-Centred Design and Behavioural Insights in advancing sustained ODF Plus outcomes and visual cleanliness, strengthening district-level leadership, and supporting long-term behaviour change under SBM-G.
