- **Activity Title:** Reception to the Bryant University Delegation
- **Date & Duration of activity (Days):** 26 February 2026; 1 day
- **Venue of the Activity:** The Westin, Gurgaon
- **Details of the Organiser:** President Office, IIHMR University

Event Details & Description

IIHMR University, Jaipur organised a welcome reception and dinner for a high-level delegation from Bryant University, USA, on 26 February 2026 at The Westin, Gurgaon, as part of its broader strategy to enhance international collaboration and global academic engagement. The event was designed to facilitate institutional-level dialogue on partnership opportunities and to deepen existing ties between the two universities.

The reception brought together senior leadership and key functionaries from both institutions, including representatives responsible for academic strategy, public health, institutional governance, and international outreach and admissions. Discussions during the evening focused on expanding cooperation in education and research, strengthening two-way student mobility and exchange pathways, and exploring co-branded or joint academic offerings.

The setting enabled focused networking and leadership-level engagement, allowing both sides to share expectations, explore areas of mutual strength, and align the next steps under the existing collaboration between IIHMR University and Bryant University. The reception concluded with an understanding to continue structured follow-up towards concrete initiatives, including student exchange, collaborative programmes and joint research activities.
