### Event Details & Description

On 27th February 2026, an NSS Voters' Awareness Drive was organized at IIHMR University by the NSS volunteers to promote awareness about the importance of voting and responsible participation in the democratic process. The drive aimed to educate university staff and students about their voting rights and to familiarise them with the correct procedure for casting their vote.

The programme was conducted in the esteemed presence of faculty members including Dr. Gautam Sadhu, Dr. Arindam Das, Dr. Ratna Verma and Dr. S. P. Chatterjee, whose encouragement and guidance significantly motivated the NSS volunteers. The session began with an introduction to the concept and significance of voting in India, highlighting the role of elections in a democratic system and the fundamental rights and duties of citizens.

NSS volunteers explained the complete process of casting a vote, including voter registration, verification of voter ID, use of the Electronic Voting Machine (EVM) and VVPAT, and adherence to ethical voting practices. Information was delivered in an interactive manner to ensure better understanding among staff and students. To make the session engaging, a quiz competition on voting awareness and electoral knowledge was conducted, where participants actively took part and winners received small prizes as a token of appreciation.

Following the quiz, all attendees took the Voters' Pledge, reaffirming their commitment to participate in elections responsibly and uphold democratic values. The session concluded with a formal vote of thanks, and the NSS team expressed gratitude to the faculty members for their constant support and encouragement. The drive reflected the social responsibility of NSS volunteers and successfully spread awareness about ethical voting, reinforcing the NSS motto "Not Me, But You."
