Event Details

IIHMR University, Jaipur, inaugurated its renovated gym on April 06, 2026, at the University campus, underscoring its commitment to fostering a healthy and active campus environment for all members of the university community.

The inauguration aimed to reinforce the University's focus on holistic well-being and campus development by providing an upgraded fitness space for faculty, staff, and students. The initiative reflects the University's continued efforts to create a holistic and health-oriented campus environment.

The gymnasium is located within the IIHMR University Club House, a large beautifully designed two-storey building that also houses other recreation facilities including a swimming pool, tennis court, badminton court, volleyball court, table tennis, chess, and facilities for outdoor games and concerts. The renovated gym is well-equipped with various exercise machines, weights, and modern fitness equipment, and features a red carpeted floor with fitness posters on the walls. The facility is accessible to all students (both boys and girls), faculty members, and staff.

The inauguration ceremony marked the formal opening of the upgraded gym space, featuring improved fitness infrastructure designed to promote overall well-being and an active lifestyle among the university community. The renovated gym now features modern fitness equipment and upgraded facilities, reflecting the University's ongoing investment in campus wellness infrastructure.

Key Highlights:

- Upgraded fitness infrastructure with modern exercise machines and weights
- Renovation aimed at promoting overall well-being and active lifestyle
- Facility accessible to faculty, staff, and students
- Reinforces the University's commitment to holistic and health-oriented campus development
- Part of the larger Club House recreational complex that includes swimming pool, tennis court, badminton court, and other sports facilities

Outcomes:

The inauguration of the renovated gym strengthens IIHMR University's commitment to the physical and mental well-being of its community. The upgraded facility provides an enhanced platform for students, faculty, and staff to maintain an active lifestyle, supporting the University's broader vision of fostering holistic development and a health-oriented campus culture.
