IIHMR University signed a three-year Memorandum of Understanding (MoU) with Shobhit University on March 18, 2026, to enhance academic collaboration, research engagement, and knowledge exchange in health management and allied areas. The MoU was formally signed between Dr. P. R. Sodani, President, IIHMR University, and Prof. Ranjit Singh, Vice Chancellor, Shobhit University.

The partnership aims to promote joint research initiatives and collaborative academic activities between the two institutions. It also seeks to strengthen faculty and student exchange programmes, enabling shared learning, exposure to diverse academic environments, and cross-institutional mentoring opportunities.

In addition, the MoU includes the organisation of workshops, seminars, conferences, and training programmes in health management and related fields. These activities are expected to foster innovation, interdisciplinary learning, and capacity building among students, faculty, and professionals associated with both universities.

The collaboration reflects IIHMR University's continued commitment to strengthening institutional partnerships and advancing evidence-based approaches in healthcare education and research.
