2. EVENT DETAILS

Mr. Suprotik Basu, Chairman of the Health Advisory Board, Johns Hopkins Bloomberg School of Public Health, USA, visited IIHMR University, Jaipur, on Thursday, January 1, 2026. The visit provided an opportunity for academic engagement and professional interaction between Mr. Basu and members of the IIHMR University community.

During his visit, Mr. Basu engaged in an interactive session with the faculty members of IIHMR University. The interaction provided a platform for exchanging views on public health, health systems, healthcare management, global health education, and emerging challenges in the health sector.

The session enabled faculty members to gain insights from Mr. Basu's experience in global health and his association with the Johns Hopkins Bloomberg School of Public Health. The discussion also encouraged the exchange of ideas relating to academic development, research, institutional collaboration, and professional capacity building.

The visit reinforced IIHMR University's commitment to global academic engagement and strengthening its association with leading experts and institutions in public health and healthcare management. It also created an opportunity for meaningful dialogue on areas of mutual academic and professional interest.

Overall, the visit was an enriching academic interaction that promoted knowledge exchange and strengthened IIHMR University's international engagement in public health and health management education.
