2. EVENT DETAILS

IIHMR University, Jaipur, organised a MoU Signing Ceremony titled **“Building Partnerships & Collaboration”** to strengthen institutional partnerships and promote academic and professional collaboration with leading partner institutions. During the ceremony, IIHMR University signed nine Memoranda of Understanding with partner institutions.

The MoUs formalised the mutual intention of IIHMR University and the partner institutions to work together in areas of shared academic and institutional interest. The collaborations are expected to provide a framework for joint initiatives, knowledge exchange, capacity building, research engagement, and other mutually beneficial academic activities.

The ceremony reflected IIHMR University’s continued efforts to expand its network of national and international partners and to create meaningful opportunities for students, faculty members, researchers, and professionals. Such partnerships support institutional development by encouraging collaborative learning, exchange of expertise, and engagement with organisations working in relevant sectors.

The event also reaffirmed the University’s commitment to strengthening academic-industry and institutional linkages. Through these collaborations, IIHMR University aims to promote innovation, interdisciplinary engagement, professional development, and evidence-informed solutions in health management, public health, development management, and allied areas.

Overall, the MoU Signing Ceremony marked an important step towards building a stronger collaborative ecosystem and enhancing IIHMR University’s academic, research, training, and outreach activities.
