2. EVENT DETAILS

IIHMR University, Jaipur, successfully conducted a one-day Staff Development Programme (SDP) on “**Ethics and Values**” on 3rd July 2026. The programme was organised to reinforce the importance of ethical conduct, professional values, and responsible behaviour among the University’s staff members.

The programme provided staff members with an opportunity to reflect on the importance of ethics and values in the workplace. It focused on the role of integrity, accountability, respect, fairness, discipline, transparency, and professionalism in maintaining a positive and effective institutional environment.

The sessions encouraged participants to consider how ethical values can be applied in day-to-day administrative, academic-support, student-service, and institutional responsibilities. The programme also highlighted the importance of respectful communication, teamwork, confidentiality, responsible decision-making, and commitment to organisational goals.

The interaction enabled staff members to share their experiences and discuss practical approaches for strengthening ethical practices in the workplace. It reinforced the idea that institutional excellence depends not only on professional competence but also on responsible conduct and shared values.

Overall, the Staff Development Programme served as a meaningful capacity-building initiative for promoting ethical behaviour, strengthening professional values, and fostering a respectful, accountable, and collaborative work culture at IIHMR University.
